ITEM DESCRIPTION
<p><u>CE LIBRARY FLEX</u> provides libraries access to Cengage's textbooks. This is powered by VitalSource Explore, the world's leading digital content platform, providing secured delivery of e-textbooks. It provides: a) Multi-Device Options ; Portable e-textbook available on any device (Mac, Windows, iOS, Android) online or offline; b) Searchable Content: Search, highlight & annotate within your E-Text. Share your notes or print them out when needed; c) Wide array of titles: various titles to select from discipline under Accounting, Business, Economics, Finance, Engineering, IT and Computer, and Allied Health among others; d) Notes and highlights: automatically stay in sync no matter where you make them. The best-known higher education textbooks, study guides, classics, and more are now available through Bookshelf; e) Offline and Online access: Students can read content anytime, anywhere; f) Personalised Recommendations: The system recommends reading materials to users based on their reading history and engagement; g) Modernised content consumption that align to students' experience similar to social media and popular online subscriptions; h) Improved Search Algorithms: Cutting-edge search algorithm allows users to pull relevant hits, even with an accidental typo or partial word. Explore can search keywords across 10,000+ titles, so users can find the content that's most valuable to them instantly; i) Generation of Usage Report: Librarians can generate real time usage report for every title</p>
