BIDS AND AWARDS COMMITTEE

ABSTRACT OF QUOTATION
Solicitation No. RSU-2022-03-014
ABC: PhP750,000,000.00
QTY: 1 Lot

SMART CAMPUS PROGRAM

UNIT	ITEM DESCRIPTION	QTY	ESTIMATED UNIT COST	TOTAL ESTIMATED COST
Lot	University Information System With the following modules: a. Registrar Module b. Finance Module c. Academe Module d. Curriculum Module e. Scheduling Module f. Enrollment Module g. Student Service Module h. Project Management Module i. Alumni Module j. Short Courses Module k. Web Based Query of Grades and Balances Module l. Interactive Student Kiosk Module m. Installation and Configuration Services i. Application Installation ii. User workflow integration iii. SSL and DNS Configuration iv. Integration to RSU RDBMS Database v. Data Migration (Limited to migration of 2 years existing University Data) vi. Project Management Services vii. User Training	1		
Lot	Learning Management System With the following modules: a. LMS Administration Module b. Professor Module c. Student Module d. Parents Module e. Installation and Configuration Services i. Application Installation ii. User workflow integration	1

	<ul style="list-style-type: none"> iii. SSL and DNS Configuration iv. Integration to RSU RDBMS Database v. Data Migration (Limited to migration of 2 years existing University Data) vi. Project Management Services vii. User Training 			
Lot	<p>University Accounting System</p> <p>With the following modules:</p> <ul style="list-style-type: none"> a. Card File Module b. Accounts Module c. Budget Module d. Inventory Module e. Property Module f. Disbursement Module g. Revenue Module h. Control Panel Module i. Installation and Configuration Services <ul style="list-style-type: none"> i. Application Installation ii. User workflow integration iii. SSL and DNS Configuration iv. Integration to RSU RDBMS Database v. Data Migration (Limited to migration of 2 years existing University Data) vi. Project Management Services vii. User Training 	1		
Lot	<p>University Human Resource Management System</p> <p>With the following modules:</p> <ul style="list-style-type: none"> a. Time Keeping Monitoring Modules b. Automated Payroll System c. Personnel Information System/Human Resources Information System d. Installation and Configuration Services <ul style="list-style-type: none"> i. Application Installation ii. User workflow integration iii. SSL and DNS Configuration iv. Integration to RSU RDBMS Database v. Data Migration (Limited to migration of 2 years existing University Data) 	1		

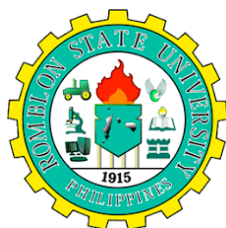

BIDS AND AWARDS COMMITTEE

	vi. Project Management Services vii. User Training			
Lot	Executive Information System With the following modules: a. EIS Warehouse b. Reporting and Dashboard Modules c. RDBMS Database d. Installation Services i. ETL Design Services ii. Data Design Services iii. System Installation Services iv. System Design and Consultation v. Project Management Services vi. Training and Knowledge Transfer	1		
Lot	Campus Portal System With the following modules: a. LDAP Based User Management System b. RSU Faculty and Student Portal c. Installation Services i. Application Design Services ii. LDAP Implementation Services iii. System Installation Services iv. System Design and Consultation v. Project Management Services vi. Training and Knowledge Transfer	1		
Lot	Upgrade the Existing Campus Data Center With the following modules: a. Data Racks b. Precision Air-conditioning Units (PACU) for Data Center c. Uninterruptable Power Supply d. Electrical Components i. Power Management System ii. Power Distribution Units iii. 175 KW Generator System e. Environmental Monitoring System	1		

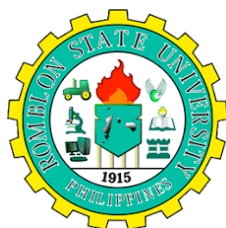

BIDS AND AWARDS COMMITTEE

	<ul style="list-style-type: none"> f. Fire Suppression System g. Installation Services i. Civil Works Services ii. Electrical Services iii. Mechanical Services iv. Project Design and Consultation v. Project Management vi. Training and Knowledge Transfer 			
Lot	<p>Data Center Compute System</p> <p>With the following modules:</p> <ul style="list-style-type: none"> a. Windows based Server Cluster b. Linux based Server Cluster c. GPU Capable Server Cluster d. Enterprise Server Virtualization Software e. Installation and Configuration Services i. Electrical and Racking Design Services ii. Project Design and Consultation iii. Project Management iv. OS Installation v. Server Virtualization Services vi. Network Configuration Services vii. Server Storage Configuration Services viii. Training or Knowledge Transfer 	1		
Lot	<p>Data Center Block and File Storage System</p> <p>With the following modules:</p> <ul style="list-style-type: none"> a. Block Storage System b. File Storage System c. SAN Switch d. Installation and Configuration Services i. Electrical and Racking Design Services ii. Project Design and Consultation iii. Project Management iv. Storage System Installation v. Storage Network Configuration Services vi. Storage Configuration 	1		

BIDS AND AWARDS COMMITTEE

	Services vii. Training or Knowledge Transfer			
Lot	Data Center Network Switches With the following modules: a. Core Switch b. TOR/Border Leaf Switch c. Management Switch d. Installation and Configuration Services i. Electrical and Racking Design Services ii. Network Design and Consultation iii. Project Management iv. Switch Installation v. Network Configuration Services vi. Training and Knowledge Transfer	1		
Lot	Cyber Security Equipment With the following modules: a. SDWAN with Firewall b. Cyber Security Threat Intelligence Appliance c. Enterprise Network Management System d. Installation and Configuration Services i. Electrical and Racking Design Services ii. Network Design and Consultation iii. Project Management iv. Appliance Installation v. Network Configuration Services vi. Training and Knowledge Transfer	1		
Lot	Data Center Backup and Recovery System With the following modules: a. Enterprise On-Premise Data Backup System	1
