### RSU Vision

A research-based academic institution committed to excellence and service in nurturing globally competitive workforce towards sustainable development.

### RSU Mission

Romblon State University shall nurture an academic environment that provides advanced education, higher technological and professional instruction and technical expertise in agriculture and fisheries, forestry, engineering and technology, education, humanities, sciences and other relevant fields of study and collaborate with other institutions and communities through responsive, relevant and research-based extension services.

### RSU Quality Policy

Romblon State University commits to provide higher education through quality instruction, research, production, and communitybased extension services that meet or exceed the requirements and expectations of the university's stakeholders. It will comply with international standards, applicable statutory and regulatory requirements, and continually improve the Quality Management System's effectiveness through periodic monitoring and evaluation toward sustained remarkable outcomes.

### RSU Core Values

Stewardship  
Competence  
Resilience  
Integrity  
Balance  
Excellence  
Service

These Core Values serve as our guiding principle in our efforts to make ROMBLON STATE UNIVERSITY a recognized HEI in the region and beyond.
